Because of Government regulations due to the corona virus the following guidelines will be in place for First Holy Communion:

- 1) The reduced capacity of the Cathedral will mean that each child can be accompanied by no more than 4 adults. One seat will be allocated for each child and there will be no additional seating available.
- 2) Ceremonies will be kept as simple as possible with just 7 children involved in readings and bringing forward of the gifts.
- 3) There will be no opportunity for photographs in the Church - this will help to reduce the risk of crowds gathering in close proximity. It will also afford us additional time to sanitise the cathedral before the next ceremony.

Gospel for the 26th Sunday in Ordinary Time. Matthew 21:28-32.

Tax collectors and prostitutes are entering the kingdom of God before you.

Jesus said to the chief priests and elders of the people, 'What is your opinion? A man had two sons. He went and said to the first, "My boy, you go and work in the vineyard today." He answered, "I will not go," but afterwards thought better of it and went. The man then went and said the same thing to the second who answered, "Certainly, sir," but did not go. Which of the two did the father's will?' 'The first' they said. Jesus said to them, 'I tell you solemnly, tax collectors and prostitutes are making their way into the kingdom of God before you. For John came to you, a pattern of true righteousness, but you did not believe him, and yet the tax collectors and prostitutes did. Even after seeing that, you refused to think better of it and believe in him.

Season of Creation 2020

It is true to say the great mystery of our Faith is the Blessed Trinity, Three persons in one God, Father, Son and Holy Spirit. God is the great creator, He created all that there is. In recent times we have been called to safeguard all creation particularly since Pope Francis established 1st September as the annual World Day of Prayer for the Care of Creation. The Season of Creation is marked throughout the Christian world from 1st September to 4th October (*Feast of St. Francis of Assisi*) and celebrates the joy of creation as well as encouraging awareness-raising initiatives to protect the natural environment. So we are commencing the last week of the season of Creation.

The second encyclical by Pope Francis is entitled 'Laudato Si' (*Praise be to you*). In this document the Holy Father emphasises the need for care for the earth and he refers to the earth as our 'common home'. The task and a responsibility for every Christian is to do all that we can to protect our 'common home'. So as we draw the curtains on the season of creation next Sunday, let our prayer be that we will strive to continually enhance all of God's creation and never do anything to disfigure it. Amen.
